

REMARKS/ARGUMENTS

These amendments to the specification of this application are made to correct typographical errors that occurred when a printer failed to print specific mathematical symbols in the first preliminary amendment filed on June 10, 2004. These amendments are not made for the purposes of patentability and should not be construed to limit the scope of the claimed invention including equivalent subject matter. No new matter has been added to the disclosure by this amendment.

Respectfully submitted,

Chernoff, Vilhauer, McClung & Stenzel, LLP
